

SATINO BY WEPA FOAM SOAP FREE

Hypoallergenic, dye- and fragrance-free hand wash soap for application using a dispenser system

Scope of application

For thorough and gentle cleaning of skin and hands, particularly gentle for sensitive skin.

Product description

Ready-to-use soap for application using a dispenser system. Sustainable recipe purely based on renewable raw materials and EU Ecolabel certified. Dermatologically tested with “very good” and thanks to moisturizing ingredients, the skin does not dry out even with frequent washing. The soap is HACCP compliant. Without parabens, microplastics, synthetic polymers, dyes and fragrances.

Instructions for use

The hand wash soap is applied directly into wet hands as mousse balls using a dispenser system.

Composition

AQUA, COCO SULFATE, COCOAMIDOPROPYL BETAINE, GLYCERIN, SODIUM LAROYL SARCOSINATE, SODIUM LAURYL SULFOACETATE, SODIUM CHLORIDE, SODIUM LAUROYL GLUTAMATE, CITRIC ACID, POTASSIUM SORBATE, SODIUM BENZOATE, TOCOPHEROL
